

COME JOIN OUR TEAM!

Insta Graphic Systems, a global leader in heat transfer solutions based in Cerritos California, is seeking a Cutter to join our organization. The right person must have an understanding of a Polar Guillotine Cutter and be able to operate the equipment safely.

What you'll do:

- Read the job order to verify special cutting instructions and parameters associated with it.
- Setup and run the Polar Cutter, including program and knife changes and any other functions needed.
- Set up the Polar Cutter according to established company and manufacturer guidelines, safely and on a timely manner.
- Perform manual and machine operator tasks and keep record of all cutting operations.
- Will be assigned other duties as required by management.

Who you are:

- 1 to 2 years experience operating a Polar Guillotine Cutter
- Able to add, subtract, multiply and divide
- Color theory and color mixing skill
- Self-starter who takes ownership and pride of their task.
- Must be detail oriented, able to take direction and work and think independently
- Positive attitude and willingness to take on multiple tasks.

Personal Attributes:

- Have an outgoing personality and be able to maintain a strong professional attitude at all times.
- Highly responsible, self-motivated and able to thrive in an energetic, fast-paced, creative environment.
- Strong work ethic and the ability to work effectively independently and in a team environment.
- Have excellent communication skills (written, verbal, presentation and interpersonal).

- **What we offer:**

- Competitive salary
- Comprehensive benefits package including: medical, dental and vision
- 401K Plan
- Paid time off and holidays

Disclaimer: This job description is not intended to be all-inclusive, and employees will also perform other duties as assigned by management as required. Company reserves the right to revise or change job duties and responsibilities as the need arises. This job description does not constitute a written or implied contract of employment.
